EXCLUSIVE!

It's Laura from *The Apprentice*!

She's our hottest candidate!

THIS YEAR'S *Apprentice* may have been won by a part-time wrestler but for us, the standout candidate was Scottish bridal shop owner Laura Hogg, 28, who wowed us with her ability to look awesome in a tightly cut skirt suit. Laura, you're hired! ▶

HEADLINE HOGG-ER!

Sadly, it was a modern art task that did for Laura – she received the famous finger on week eight.

**“There’s no
rehearsal or
rerun. It’s just
‘You’re fired!’”**

Turn over to see
even more Laura!

**“I was quite
relieved
I hadn’t
embarrassed
myself!”**

Hi Laura,
how was
your first
Nuts shoot?
It was
amazing!

They were so gentle with me. I felt very sexy.

Most apprentices seemed to get on quite well. Were you all really best mates?

People expect you to scream that so-and-so was a complete bitch, but it just wasn't true. We all got on quite well. We had to be because we were watched over all the time!

Really? Even at night?

Yep. Someone sits with you to make sure you don't talk about the tasks. You can't phone home or have any outside input, so you just sit there talking about telly and music.

What's Lord Sugar like?

The only involvement I had with him was in the boardroom. On TV, it looks like you're in there for 20 minutes then he fires someone, but you're in there all day. It looks when you watch it back that someone has suddenly cracked and lost it, but that's just the edit!

What does it actually feel like to have that pudgy finger pointed at you?

There's no rehearsal or rerun. It's just "You're fired!" and out. I did feel gutted about it, but I was missing my family and was quite relieved I hadn't embarrassed myself!

Winning *The Apprentice* is a bit of a poisoned chalice. Are you better off missing out?

Yeah, let's hope so! Once I watched the candidates get through to the final interview stage and get torn apart, I was kind of glad to have missed out!

They're devoted and utterly daft!

EURO 2012 isn't just about the football, although obviously there is a bit of that to enjoy. But it's also about fans coming together, representing their nation and, hopefully, not hoofing seven bells out of each other afterwards. We decided to celebrate this ongoing football melting pot by paying tribute to some of the tournament's most absurdly passionate buffoons. 41m water slide!

14 storeys of screaming!

➔ **IN CASE** you were wondering (and it would be weird if you weren't), this is "Insano" – the world's biggest water slide in Fortaleza, Brazil's Beach Park. It takes five full seconds to drop down its 41 metres, and the more aerodynamic people can reach speeds of up to 65mph. Presumably, there's a man with a squeegee to clean up the 7ft of skidding when you hit the bottom.

6 reasons *Taken 2* is going to rock!

Neeson returns for more top bum-kickery!

➔ **RELEASED TO** little fanfare in 2008, *Taken* turned out to be pretty much a perfectly executed action flick, and has since achieved legendary status as a classic man movie. Handily, it also went on to gross over £150m worldwide.

Filming's wrapped on *Taken 2*, out on 5 October. Right, here's why we expect it to be very flipping good!

1 Mills gets kidnapped!

This time, *Taken* hero Bryan Mills (Liam Neeson) gets "taken" by relatives of the Albanian crime family that he went through like the squits in the first movie. They want to return him to their village to torture and humiliate him.

2 It's got a new director!

But don't worry, it's the chap who directed flicks like *Transporter 3* and *Colombiana* – the brilliantly named Olivier Megaton. Original writers Robert Mark Kamen and Luc Besson return.

3 60-year-old Neeson got into shape for this

"I had to up my push-ups and sit-ups. There's quite a bit of running and quite a bit of fighting. There are some real nasty bad guys here."

4 Mills' star has risen

Ex-Special Ops chap Bryan's notoriety has risen and he's in demand, so he organises security details for major politicians and businessmen. He's still retired from his special-forces group, but he takes private commissions.

5 It's set in Istanbul

Set around 18 months after the first movie, Mills is protecting a sheikh in the Turkish city. His ex-wife and originally kidnapped daughter come to visit. "And then all this sh*t happens, of course!" says Neeson.

6 This time, it's personal!

"I took out a lot of Albanian guys, smugglers and sex traffickers," says Neeson. "They met grisly ends. So now it's their uncles, brothers, fathers, who have motive to find me, come hell or high water."

"The static off these shoes is a nightmare"

Brazil's first ever supercar!

It's got over 1,000bhp and a body to shame a Ferrari!

- Well, it certainly makes a change from waxed lady gardens, rainforestry, football and the odd drug cartel. This is Brazil's first stab at a supercar, called the AmoritzGT DoniRosset.
- The "challenging" name? Well, entrepreneur William Denis Rosset approached the car's designer/company owner Fernando Morita, as he wanted to create a unique supercar as a birthday present for his dad Donino "Doni" Rosset. This is the result. Socks weren't going to cut it, it seems.
- The Brazilian-designed motor looks nothing short of intergalactic. The

front has a whiff of Ferrari 458, and there are many Lamborghini related aspects, especially in profile. The back end is dominated by two giant diffusers and, between the LED rear light clusters, five exhaust pipes mounted way higher than the rear numberplate. It's not a fussy design, just a jolly confident one.

- The entire bodyshell is carbon fibre, covering a tubular aluminium spaceframe, while the 8.4-litre V10 engine lives under a glass panel. Said engine once spent time under the front of a Dodge Viper SRT10, but in a car this exotic, it was wisely mounted in front of the rear wheels.

"Be honest, is orange eyeliner too much with my complexion?"

WORDS: JONNY SMITH PHOTOS: LEO SPOSITO

Pennant had forgotten yet another supercar

- This means that unlike a Viper, it might not want to kill its passengers at every corner. A sophisticated F1-style double wishbone front and pushrod rear suspension system promises to keep the DoniRosset a friend to gravity.
- The colossal V10 has been tweaked to run on slightly eco-friendly bioethanol fuel and an optional twin turbo brings the magic numbers to 1,007bhp. This will blat the car to 62mph in around 3.2 seconds –and it won't stop till it hits 210mph.
- The AmoritzGT moves another rung up the hardcore ladder with rear-wheel drive and a six speed sequential manual 'box.

- A lot of consideration has also gone into the cabin. Borrowing the three-abreast (central driving style) of McLaren's F1 means there'll be a lady/friend/ladyfriend rubbing both of the driver's shoulders.
- As is the way with these cottage industry supercar boutiques, the devil's in the detail. Our favourite? Well, the badge is Doni Rosset's signature in 24-carat gold and precious stones to represent the colours of Brazil's national flag. And it's yours for just \$1million! That's 645,000 of our English pounds.

A quick word with Jason Segel!

The big comedian on kebabs, flatulence and his penis!

Hi Jason! In your new movie, *The Five-Year Engagement*,

your character fakes an orgasm with his fiancée, played by Emily Blunt. How did you film that scene?

We shot that scene a million different ways – every version of a fake orgasm. Emily couldn't keep her sh*t together. There were tears streaming down her face, we were laughing so hard. It was a blast to shoot – no pun intended!

How would you spot the signs if a girl is faking on you?

Faking on me? They can't help themselves!

We've heard there were outbreaks of flatulence on set. Is it a good omen when the film is so funny it makes people guff?

Our sound man was trying not to laugh. I could see him shaking and clenching his teeth but something had to give so he just let rip. It became our challenge – to see if we could make the sound dude fart. I hope that makes the DVD.

Nicolas Cage calls his acting style "nouveau shamanic".

How do you describe yours?
Do a face that matches the words, I'm saying!

You've spent some time living in the UK. What do you miss most when you're back home?

I could move here in a heartbeat and I miss kebab shops. I lived near a road in London where there were 40 different restaurants called Ranoush. My friends would say, "Meet us at Ranoush." I'd spend eight days eating doners to find them.

Tell us something surprising about you that we don't know.

I performed a wedding on [US talk show] *The Tonight Show With Jay Leno*. I'm an ordained minister of the interfaith Universal Life Church so you have to treat me with respect.

Who would play you in the movie of your life?

It'd have to be Brad Pitt, Steve McQueen or James Dean. Just so the looks match up.

But if acting hadn't worked out, what would you be doing?

I'm not good enough in music to make it a profession so I'd just be writing. I've been lucky to make music a side job of the movies I do. Once you get famous, you get to indulge in things you're not qualified for. It's one of the perks.

Where's the weirdest place you've been recognised?

I was on a plane and keeping a low profile when the steward made an announcement. "Ladies and gentlemen, we have a celebrity in the cabin. Jason Segel is here so let's give him a big round of applause!" I'm thinking, "What the f**k is going on?" He was a big fan but you're in a captive space and can't get away!

You've said you drank a lot to get you through your nude scene in *Forgetting Sarah Marshall*. What's your tippie?

I quit the booze. Work is a rollercoaster right now. I'm addicted to Red Bull – it's the only fuel that's keeping me going!

Some of your nakedness was cut from this film. Was that a blow to your ego?

I've shown it before in *Forgetting Sarah Marshall* but there was a good reason for it and this time it felt gratuitous, so you don't get to see my manhood.

What's next for you on the big screen and will it involve flashing your penis?

Only to get the part! I'm always kicking around ideas with Russell Brand and I'm hoping to write something we could work on together again. He's one funny dude.

● *The Five-Year Engagement* is in cinemas from 22 June.

INTERVIEW: DAN BRIGHTMORE PHOTOS: [unreadable]

UNHAPPILY ENGAGED!

THROBBING!

"That's the last time I use the cheap nail varnish"

HE'S OK NOW!

'Thick black blood gushed out my finger!'

Dastardly car door makes a mess of unlucky bloke's digit!

➔ **NO, THIS** isn't a mini motorbike helmet stuck on someone's finger, this is the grotesque aftermath of a car-door caper.

"I got out of my car and slammed the door shut on my finger behind me," recalls 18-year-old Carlisle chap Zach Mark. "I tried to

walk off, but my arm stretched as I moved away. Over 48 hours the nail went black and the bruising began spreading down my finger. In the end, I had to go to A&E to have it drained and fixed up."

Unfortunately for Zach, though, the problem was far from over. "I took the dressing off a few days later," he says,

"but to my surprise I found my finger was about four times its normal size. I stabbed a hot needle into it and watched as it gushed with a thick, black blood-like substance."

Zach's finger's now back to its normal size, although this should serve as a warning to us all – public transport really is the safest mode of travel.

"Wonder if A&E can fix this haircut, too?"

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

**DANNI ORSI,
100% REAL
LESBIAN!**

You might recognise Danni from hit TV show *Candy Bar Girls* on Channel 5

She loves me being fat!

My missus loves the fact that I'm fat, but I want to get fit. Trouble is, I'm scared she'll leave me. What should I do?

MART South London

I think you'll find your missus does not "love" the fact you're obese but loves you for you. So hold tight to this girl – you're on to a winner! Your missus will 100 per cent support your choices when you explain them. Begin by telling her the pros – fitness helps sexual appetite and the more toned you are, the better you'll be in bed.

Am I a bad friend?

My mate recently came out as gay. I'll always support him but now he wants me to go to gay

LETTER OF THE WEEK!

I can't work her out!

I don't understand women. Every time I'm nice to a girl she goes off me, but when I don't return her calls and treat her meaner she seems to respond. What's going on?

BRENDAN Cardiff

This is typical of us girls – we love the chase! You haven't mentioned in exact detail how you're being "nice" – I mean, nobody likes a wet dog. How many texts do you send her in a day? You need to strike a balance. Make sure you're not always available but surprise her when you are. Teach her to be grateful for your company and she'll be as keen to see you as you are to see her.

clubs with him. I'd rather we just went down the pub like we normally do. Am I being really insensitive or is he out of order?

JOHN via email

Your friend is searching for new friends among people he identifies with. You'll probably

only have to go with him once as gay clubs are extremely inviting to newbies. If you don't go, he'll either lose respect for you as you don't wish to support him or think you fancy him and want to keep him away from the boys.

Is she lying?

I met a girl recently and we became "f**k buddies". Everything was going great, but now, out of the blue, she doesn't want to see me any more. She says she doesn't want a relationship but I think she may want more commitment. What do you think?

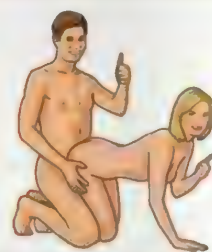

BEN Horsham

Women find it hard to have sex without emotional attachment – we've got too many hormones. I think you might be right, so be sure to keep in contact with her to make sure she's sure about cutting you off. Then again, she may just have got bored with you!

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual address on p64.

LABRINTH

"Can you hold this
large invisible
box, please?"

The singer on Corden, Cowell, Bieber and Radio 1's Hackney Weekend!

i Labrinth! You recently said you'd like to be the first person to record a single in outer space. Why? The atmosphere would be rubbish. Boom boom!

Ha! I'd like to be the first artist to record in outer space, but I'm not sure how it would work. I wouldn't be able to get to my keyboard quick enough. It'd end up sounding like a mash-up of too much falling down the stairs.

We've heard you've turned down millions of dollars of work in America to stay in the UK. Why's the UK so important?

With America, I feel I'll get my time. I don't feel it's time to start working with big American artists yet. I want to have a little bit of weight behind me first.

"I'd become celibate to make music if I had to!"

So one day you might be writing songs for Britney Spears or Justin Bieber?

I don't know. It depends.

You said you prefer music to sex. Doesn't Mrs Labrinth get annoyed when you're busy fiddling with the bedroom stereo rather than her?

If I don't make music for a while I feel crazier than if I haven't had sex for a while. I'd become celibate just to make music if I had to.

Blimey. You're playing Radio 1's Hackney Weekend this weekend. You're from Hackney. Will you walk or get the bus?

I'd have trouble doing that. I'd be inundated with, "Lab! You said you were going to do this. I haven't seen you in ages. What have you been up to? I saw you on TV." I don't think I could deal with that. I'm not sure I'd make it to the stage.

Two years ago at the Brit Awards you were queuing for a wee when Tinie Tempah won his award for *Pass Out* and invited you on stage.

This year, you stood up right in front of the camera when James Corden was talking.

Think you'll be invited back next year?

Unless it's as the Brits clown. Ha! Everyone keeps saying the Brits are boring. If the most exciting thing is someone standing in front of the camera then it must be a boring-arse show. They need to invite more crazy people.

You're signed to Simon Cowell's record label. What's the best advice he's given you?

I was under pressure when I was putting my album together, and he was like, "Don't worry about what's going on out there. Just do your thing. That's why I got involved with you because you're unique and good at what you do." I really respected him for that.

Would you like to offer some fashion advice to Simon?

Women seem to love him. If it's not broken, don't fix it.

Did will.i.am ask you for English lessons so he could understand everyone on *The Voice*?

Ha! No. That would be funny. I would help him out though.

I think people like him. Does he come across well on the show? I haven't seen it.

Not really! Do you think you'd like to be a judge on the next series of *The Voice*?

Um, no, I don't think so. I watched it once and it wasn't really my thing.

You own a posh restaurant under your recording studio that you took *Nuts* to Last time we interviewed you. What's the special of the day?

What did I have last time? I had a really nice grilled chicken. We've got a new salmon dish and a swordfish dish for the summer that's really nice.

Have you got a recipe book in you?

No. I should stay well away from the kitchen. I might kill someone. I'm very good at giving orders and saying, "That doesn't taste good."

But unfortunately I'm not very good at making things taste good.

Thanks for the chat, Labrinth! Finally, how's your new material coming on?

Good, man. I'm working on some acoustic stuff. I can't wait for everyone to hear it.

● Labrinth plays the 1Xtra stage at Radio 1's Hackney Weekend this Sunday. Labrinth's album *Electronic Earth* is out now

**‘WHEN THE BOMB HIT,
I THOUGHT I WAS DEAD!’**

CRAIG SUMMERS, BODYGUARD

CRAIG SUMMERS IS A MEDIA BODYGUARD. HIS WORK TAKES HIM TO SOME OF THE WORLD'S MOST VOLATILE PLACES. HERE HE TELLS NUTS HIS STORY...

>Hello Craig. Can you explain to us what your role as a bodyguard involves?

I have to be a jack of all trades. I look after media personalities and camera crews when they visit dangerous places. I have to do everything from logistics to making sure the crews are safe.

How did you get into this work?

I left the military in 2000 and was looking for the next thing to do. I got a phone call one day asking if I fancied working on the May Day protests, looking after a news crew who were covering it. I had to pull my cameraman out of a few scuffles and that's when I got a taster for working in the media and seeing what it could be like.

How did you end up working in various war zones?

I got a call just before Christmas 2000 from the BBC asking me to join their foreign planning desk. Once I established myself there, I knew that was where I wanted to be. I got into the habit of banging on desks, asking when they next needed me. There was a bit of hassle going on in Iraq, so we got sent out there.

Are you armed when you get sent to these places?

We were armed in Baghdad but around the rest of the world we weren't. You're working on your own skill set. It's a double-edged sword. If you carry a weapon, can you really say you're a journalist? We've been in situations where we've come to check points and having a weapon will drop you in it. But in 2004, at the height of the kidnappings in

Iraq, we were armed and trained to deal with kidnap situations.

Can you tell us more about the work you did protecting the legendary war reporter John Simpson?

After 9/11, I found myself working more and more in places like Afghanistan, Pakistan and Iraq. It was the turning point. In 2003 I got a call from a senior producer at the BBC who asked me to leave with them at short notice to work on a documentary for *Panorama* about the situation in Iraq. I was to escort John Simpson and a crew to Baghdad.

Is this when your crew was almost blown up?

Yes, this was the now quite famous "friendly fire" incident in which the Americans dropped a bomb on us. I recall a plane came around – everyone was looking up and then we all saw this huge bomb coming towards us in that split second. My cameraman was about 20 yards away from the bomb and the impact knocked me to the floor. I thought I was dead. I knew what had happened but I just couldn't get my orientation. The man to my right was dead because he took the blast coming our way.

Was your team accounted for?

Well, I got up, ran to the front of the car and got everyone behind the bank, as I could see that the plane was coming around. I then ran through the burning scene, looking for my cameramen and our producer, Cameron. The cameramen were OK but we couldn't find Cameron. When we eventually did, we found his leg had been blown off. I called an American medic who told us the blast had caused some internal injuries. Sadly, he died on the way to the hospital.

Of all the places you've been sent to, where has been the worst?

The 2004 Indian Ocean tsunami was one of the most horrific experiences. I was there in more of a logistics capacity rather than being a bodyguard, and the challenge was to keep a team of 20 BBC reporters

safe in among the worst conditions. There were dead bodies piled everywhere in the streets.

You infiltrated some football hooligans at Euro 2000 in Belgium. What was that like?

I was doing an undercover programme for *Panorama*. We found ourselves right in the middle of an infamous incident in an Irish bar. We were in the pub when the police tear-gassed it. I found a way out but that really kept us on our toes for the rest of the trip. It's not the first time I've found myself adopting a disguise in the line of work. I did one job that involved spending a weekend with the Hell's Angels in Boston.

Thanks, Craig. Finally, has there ever been a point on a job where your cover has been blown?

No. One reason is the amount you drink. You're drinking, they're drinking, you're buying each other drinks. They become more p*ssed, you try to stretch the pints out by chucking bits when they're not

looking. You can end up looking like you've had ten pints, but really you've only had five.

● Craig's book *Bodyguard: My Life On The Front Line*, published by The Robson Press, is out now

CRAIG'S FOUR MAIN UNDERCOVER WORK TIPS:

1. HAVE A GOOD COVER STORY

"Keep it simple. That way you won't slip up or land your team in it."

2. DO YOUR HOMEWORK

"It's the facts and dates people will pick up on, not elaborate stories."

3. CHECK YOUR EQUIPMENT

"You'll be relying on hidden cameras, so it's crucial you know how they operate and how to conceal them."

4. PRACTISE

"Ensure the cover story is believable. Adopt characters weeks before you go on a job, and practise."

Polly Parsons

The Real Hustle • BBC THREE

Hi Polly! Do the scams on *The Real Hustle* ever go a bit wrong?
In the last series, we only had one go wrong. That was because the person we were trying to scam gave us fake money!

Who's your girl crush?

Rihanna! I'd love to meet her – she's just so beautiful.

How do you let a bloke know if you're into him?

When I fancy someone, I'm the biggest flirt in the world. You'd know if I fancied you!

What's a big "no-no" on a date?

Bad manners. I like blokes who put in a lot of effort with their lady. Girls love chivalry.

What's the strangest rumour you've heard about yourself?

When you get romantically linked with someone. That tends to happen a lot.

When was the last time you did something really embarrassing?

The other day. I went outside but didn't realise how sunny it was. It was so bright that my heel got caught in the gutter!

Thanks, Polly! Finally, when will we see you back on telly?

Soon. Loads of exciting projects are in the pipeline, so watch this space! ▶

Vicky Pattison

Geordie Shore • MTV

Hi Vicky! How are you enjoying the shoot?
Hello *Nuts*! It's been brilliant.
It's basically just been me lounging around in a bra all day – so just the usual thing I get up to on my own!

What can we expect from the new series of *Geordie Shore*?
It's been filmed in Mexico. The Mexicans loved us, but the Americans were a nightmare. They can't handle their drink.

Can we expect lots of drama?
There are a lot of couples in the equation now but that just throws up the opportunity for even more fireworks.

Can it get any ruder?
I always think it would be impossible. This series has everything going on – there's even a bit of lesbian action!

Now you're all loved up with Ricci, will you be slowing down and going on country rambles?
Not a chance! We'll still be going out getting hammered. No country walks for me!

Finally, you've conquered Newcastle and Mexico, so where's next for you lot?
Ibiza! That would be intense. It's the only place we might get a run for our money. ▶

Hi Billie. What can we expect from the next series of *TOWIE*?

Lots more fun, a bit of gossip, possibly some new characters and relationships.

Tell us more about what you guys have been up to?

We've all just got back from Marbs [Marbella]. It was like Essex on a beach!

if you had your own show what would it be like?

It'd be amazing. There would be so much banter going on and it would be so glam.

You weighed one of your boobs on a set of scales on *TOWIE*. What recipe was that for?

Ha! Actually, I tried to weigh both of them but only one boob would fit. This was for the "Billie's boob recipe"!

Joey Essex is seeing your sister, Sam. Are you worried about the Essex genes infiltrating the Faiers gene pool?

Ha! Not at all. I love Joey. Plus, I'd be the best auntie ever if they have kids. We shall see.

Thanks, Billie! Finally, what would *Nuts* readers be surprised to learn about you?

I went to sixth form and got really good grades. I was going to become a lawyer! ✕

"Not now, love, I'm watching Greece vs Czech Republic"

THE FIVE-YEAR ENGAGEMENT

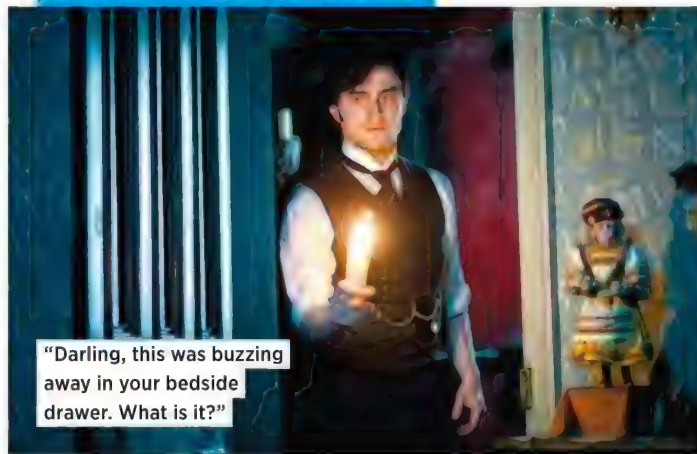

22 June • 15

We love Jason Segel. He made us laugh in *Forgetting Sarah Marshall* and now delivers this year's *Bridesmaids* – a laugh-

out-loud Judd Apatow-produced rom-com that looks at the perils of marriage from a bloke's perspective. Desperate to wed Emily Blunt, Segel jacks his job in for her career move but goes brain-dead in hicksville. Brilliant! ★★★★★

DVD & BLU-RAY

"Darling, this was buzzing away in your bedside drawer. What is it?"

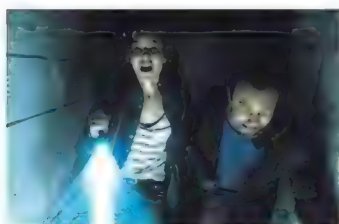

THE WOMAN IN BLACK

DVD & Blu-ray • 12

In his first big-boy role since ditching the Potter wand, Daniel Radcliffe leads a nifty British cast in this spine-chiller.

He plays a young lawyer who's been sent to a remote village to sort out a dead lady's affairs, although he soon finds that her house is all haunted and stuff! There are a few jumps to be had, but it's not exactly the stuff to give you nightmares. ★★★

CHERNOBYL DIARIES

22 June • 15

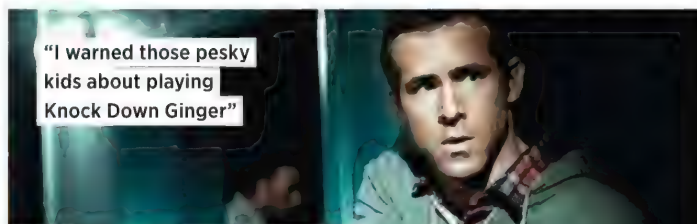

Scare-fest from the *Paranormal Activity* team about extreme tourists in the real-life disaster zone. They're not alone... ★★★

LAY THE FAVOURITE

22 June • 15

Rebecca Hall hooks up with pro gambler Bruce Willis to beat the Las Vegas sportsbook system in a decent caper. ★★★

"I warned those pesky kids about playing Knock Down Ginger"

SAFE HOUSE

DVD & Blu-ray • 15

Ryan Reynolds is the inexperienced CIA agent charged with protecting rogue spy Denzel Washington. It doesn't go well. ★★★

MUSIC

REVEREND AND THE MAKERS

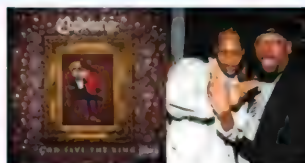

@REVEREND_MAKERS

Naff title, but this decent indie dance set has been given a good rinsing on the *Nuts* office stereo. ★★★

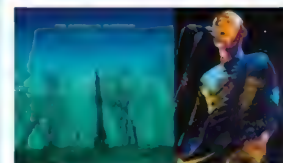

SAM SPARRO RETURN TO PARADISE

Remember his one hit, *Black & Gold*? Well, he's back with more odd, wordy soul-pop and honeyed vocals that make you forget he's Australian. ★★★

COPYWRITE GOD SAVE THE KING

The US MC mixes a load of superstar US guests with some top British grime types. A rather spiffing transatlantic mash-up. ★★★★★

SMASHING PUMPKINS OCEANIA

The Pumpkins' loopy ninth album finally gets a release and it's vast, typically bonkers and full of lyrical weirdness. ★★★

RATINGS: ★★★★★ Genius ★★★★★ Very good ★★★ Investigate ★★
 Alright ★ Rubbish

GAMES

"Sheesh! I did all those years in Rep, for this?"

LEGO BATMAN 2: DC SUPERHEROES

PS3, Xbox 360

More Batman-flavoured gaming joy as the Caped Crusader and his plucky sidekick take on cute villains in Lego

brick-based silliness. Only this time they've invited their other superhero chums along for the ride, including Superman, Wonder Woman and the Green Lantern. You know the score by now: cuteness, humour, great gameplay. ★★★★★

VIRTUA FIGHTER 5 FINAL SHOWDOWN

PS3, Xbox 360

Exhaustive fighter at the top of its game and downloadable for under a tenner. Aces. ★★★★★

CATAPULT KING

iPhone, iPad

Strange take on Angry Birds with a similar knock down game, but framing it via a first-person view, making it feel fresh and new(ish). ★★★

APPS

I AM KONKI

iPhone

A free app (with in-app purchases) for everything from weather to voucher codes. The more you tell it, the more tailored it becomes. ★★★

'He gave me goose bumps'

MY NEW boyfriend suggested that we go for a long hike along the beach cliffs. After an hour, we decided to take a rest. He started to stroke my stomach and it gave me goose bumps. I stared into his eyes and I could see he was as turned on as I was. I reached down and rubbed his growing erection then managed to get my shorts off, pull my black lace thong to one side and climb on top of him. While he was deep inside me, a plane flew past at quite a low height which just added to the excitement. We came at the same time!

Samantha via email

'We did it on a desk'

I WAS at university in a lecture, but I couldn't concentrate. The guy a couple of rows down from me was giving me naughty looks and I was dripping

wet for him. At the end of the lecture, I stayed behind and so did he. Before we knew it we were on the professor's desk going at it. Soon he was inside me and I was moaning with pleasure. It didn't take him long before he came everywhere. We left in a hurry as we thought the lecturer was

coming and I forgot my knickers. The next day he asked if anyone had left anything behind. I went bright red but never said a word.

Jessica via email

'It was my turn for oral next'

MY FRIENDS and I had just finished university and decided to celebrate by going to our local water park before heading out for the night. I wore my best bikini and headed straight for the massive queue for the biggest water slide, which is where I came across a real hunk who was in the year below me. We were waiting for ages for the slide and couldn't stop flirting the whole time. We both jumped at the chance to share a double dinghy down the drop. He sat behind me and within minutes was stroking my rock hard nipples and saying how much he wanted me. Once we'd got to the bottom, I ditched my friends and we snuck into a toilet cubicle. Kissing and warming each other up with hands and fingers, I soon had his erection in my mouth and he was exploding all over the place. Next it was my turn for oral sex and I had to stop myself from screaming. By the time we were done, it was almost time to leave and my friends were starting to worry, but I'd had the best time.

Rachel via email

'Our sex on the boat'

MY BOYFRIEND and I recently went on a day trip to the Isle of Wight. After a lovely day, we stopped at the shop as we waited to board the boat home to get some magazines for the trip over. My boyfriend bought *Nuts* magazine and it turned us on looking at all the semi-naked girls. When everyone left their cars, we remained on the lower deck. Five minutes after the boat set off, my boyfriend asked if I'd give him a cheeky blow job. Needless to say, I agreed and within seconds I was sucking away at sea, his groans echoing around the walls. It soon led to us getting into the back of the car and getting everything steamed up. I can't wait for more day trips out with my man, and thanks *Nuts* for the inspiring content!

10 RUDE QUESTIONS!

And a real girl to answer them!

Emma

21 Newcastle

1 Where's the strangest place you've had sex?

"On the beach was pretty strange. Let's just say lots of sand and lots of sex. It was a different experience to the bed."

2 What's your trademark move in the bedroom?

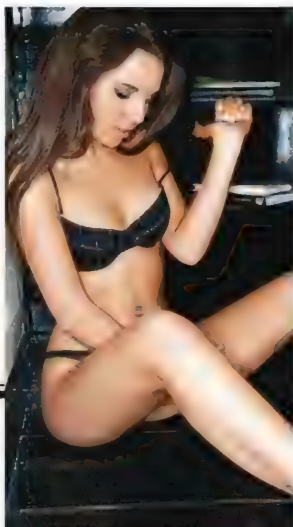

"You'd have to get me in the bedroom to find out my trademark move. It's pretty special!"

3 What turns you on?

"A guy who knows exactly what he's doing in the bedroom but acts shy to begin with on dates. The surprise factor really turns me on."

4 What's your favourite position?

"Doggy style gets me every time."

5 Is it better to give or receive?

"I love to be in control and give – I really love seeing that satisfied look on a bloke's face."

6 What would you like to try but haven't yet?

"I haven't tried a threesome yet but after a few cocktails I'd definitely be up for giving it a go. But it'd have to be with another girl."

7 Ever got it on with another girl?

"Of course! We all love a bit of girl-on-girl action. It doesn't get boring!"

8 What's your favourite role-playing costume?

"It just has to be my crotchless naughty maid outfit. Access all areas!"

9 Have you ever made a sex tape?

"I've made five. It adds a bit of spice to the bedroom department and you know you have to perform to the max as you're on camera."

10 What's the rudest thing you've done?

"I once got naked in a hot tub with a hot boy I'd only just met. I gave him the time of his life!"

"I got naked in a hot tub with a boy I'd only just met!"

Nuts SPORT

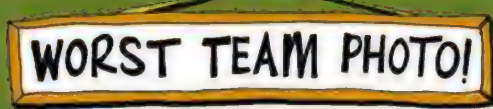

Euro 2012 first-round awards!

Nuts' highlights so far from Poland and Ukraine!

➔ **WE'RE HALFWAY** through the summer's European Championships and so far it's been a top-notch tournament. It's not just the action on the pitch that's had the *Nuts* office all excited, but the ridiculous moments off it. So, here are our top moments that have caught our eye over the past couple of weeks.

There's no doubt who Italy thought was the biggest threat during their opening game with European and World Champions Spain. Despite the Azzurri's best efforts, the little genius Andres Iniesta still won the man-of-the-match award!

Glen Johnson was so pumped-up for England's opening match of the tournament against the dastardly French, he ran off without appearing in the team photo. Apt really, as it felt like we were playing with ten men for most of the game.

Czech Republic star Petr Jiracek could be mistaken for a homeless man with his scraggly beard and bad haircut. When he scored his country's opener against Greece, the crowd didn't know whether to celebrate or throw change to him!

WORDS: TIM BURNETT. PHOTOS: ACTION IMAGES, GETTY IMAGES, PA PHOTOS

BEST MENTAL BREAKDOWN!

It only took Mario Balotelli around 30 minutes to completely lose it during Italy's opening match against Spain. The silly striker took it upon himself to physically attack a section of the Gdansk turf. The Euros wouldn't be the same without him!

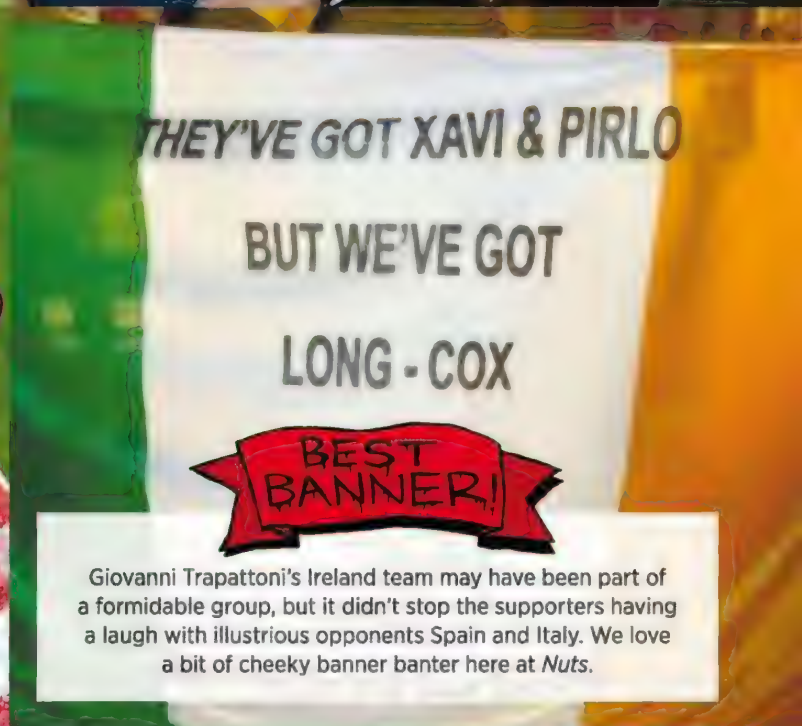

WORST FAN!

This French supporter had obviously been on the vin rouge prior to the big match against England and decided to catch up on some much-needed beauty sleep. To be fair, we nodded off during the second half as well. Sacrebleu!

Friendliest Manager!

One Croatian fan was so pleased with his performance against Ireland that he just had to let manager Slaven Bilic know, by bursting into the technical area and giving the surprised coach a full-on snog. Pucker-up, Slaven!

BEST BANNER!

Giovanni Trapattoni's Ireland team may have been part of a formidable group, but it didn't stop the supporters having a laugh with illustrious opponents Spain and Italy. We love a bit of cheeky banner banter here at Nuts.

FUNNIEST NAME!

Looking down the squad lists at Euro 2012, we couldn't help but snort at some of the surnames. Meet Swedish double-act **Behrang Safari** and **Pontus Wernbloom**, Ukrainian **Bohdan Butko** and the unfortunately named Dane **Andreas Bjelland**!

MOST ENTERTAINING HAIRDO!

Is that **Wayne Rooney** or Belgium's most famous investigative journalist? England's number 10 has decided to sport a Tintin-style quiff, no doubt hoping that the Ukraine defenders would be too busy laughing to be able to tackle him.

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

It's all gone wrong for 'Arry!

Redknapp should be at the Euros, but now he's out of a job!

➔ **SO 'ARRY's** no longer the man at White Hart Lane. I'd heard rumours at the end of the season that he was going to leave Spurs and that Chelsea were sniffing around, but it was still a shock when he went.

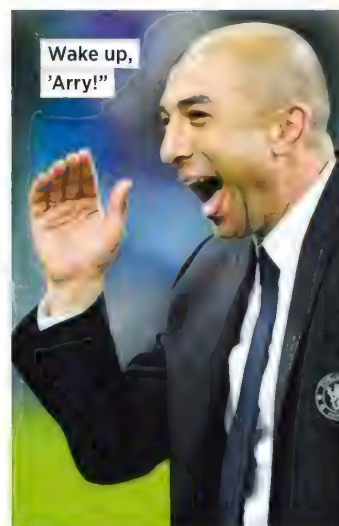

He's done a fantastic job and Spurs chairman Daniel

Levy is mistaken if he thinks he can get someone better. Redknapp got Tottenham playing with flair – they were a joy to watch – now they have to start again.

David Moyes is favourite to take over, but someone like Gus Poyet has a better chance – he's a former fans' favourite and wants football

played the right way. An outside bet would be Tim Sherwood. He's part of the coaching staff and is ready to make the next step.

As for 'Arry, there's no way he'll walk away from football. I expect him to bide his time and wait for the right opportunity. Whatever happens, he will be missed!

Di Matteo should be a worried man!

I FEEL sorry for Roberto Di Matteo. Now Chelsea boss full-time, he was obviously second choice behind Pep Guardiola, who Roman Abramovich wanted all along.

The Italian should've been appointed as soon as he lifted the Champions League trophy, but it didn't happen and there's a sense of anti-climax about it all. Where can Roberto go with Chelsea now? After winning the biggest prize in football, surely it'll only be downhill? I hope I'm wrong as Robbie is a great man and a top coach.

I wish him all the luck in the world. He'll need it!

- Send jokes, comments, pics etc to kammy@ipcmedia.com. The best one each week wins a signed *Nuts* T-shirt!

GETTING THE BOOTS ON!

I captained the England media team against our French counterparts, skippered by Robert Pires (!) We got battered 6-1 but I got on the score sheet, coolly slotting home a pen.

TRAVELLING IN STYLE!

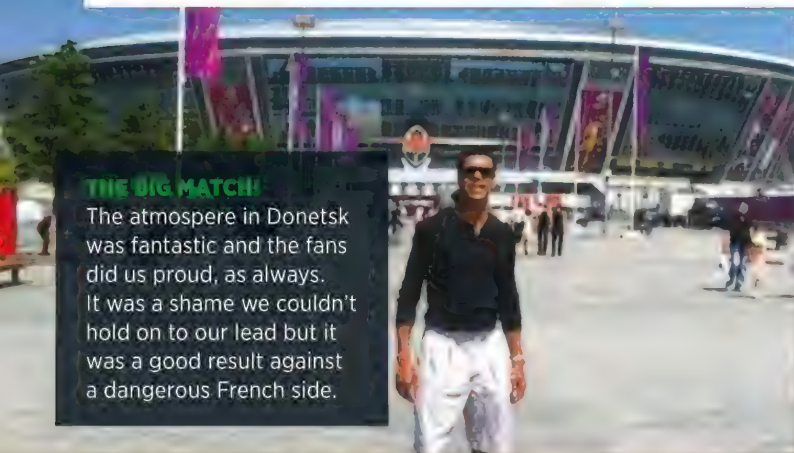

On the flight to Donetsk I sat next to Graham Taylor! I didn't get a word in for the entire journey, but what legend. He told some wonderful stories about his time as England coach.

Kammy's Euro 2012 Diary!

Nuts legend Chris Kamara tells us all about his adventures in Poland and Ukraine!

I'VE BEEN out watching all the football action in Poland and Ukraine and what a trip it's been so far! I've got to play against Robert Pires, partied with Noel Gallagher and watched Uncle Roy's lads in action! Here's a little taster of my adventures so far.

THE BIG MATCH!

The atmosphere in Donetsk was fantastic and the fans did us proud, as always. It was a shame we couldn't hold on to our lead but it was a good result against a dangerous French side.

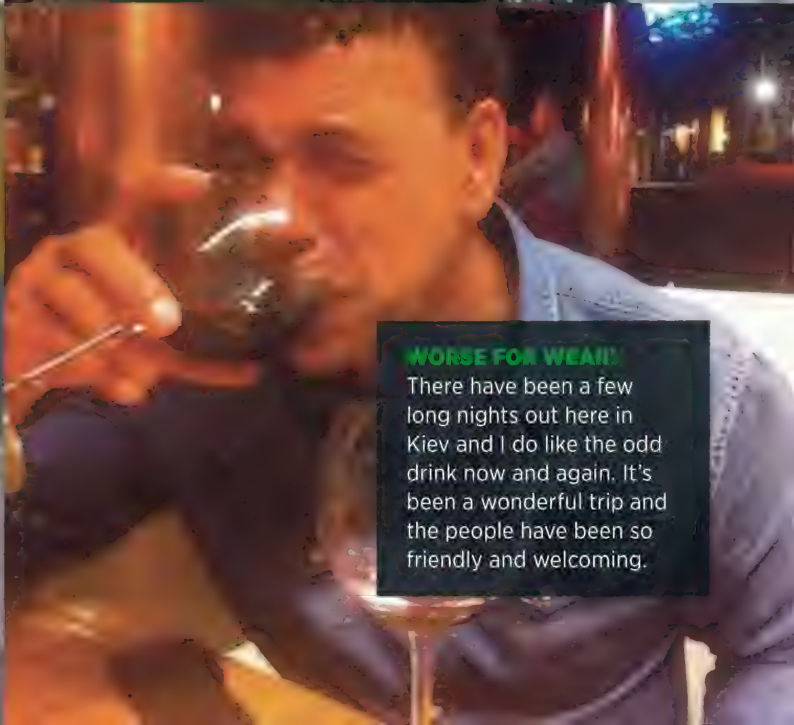

RIDE WITH THE POLICE!

I got completely lost walking from my hotel to a restaurant and hitched a ride with the local police in a battered old Lada. They could hardly speak a word of English!

MINGLING WITH THE STARS!

I went to Noel Gallagher's gig in Kiev and met the man himself for a beer. I was going to perform my hit *Sing 4 England* but there may have been a riot!

WORSE FOR WEAR!

There have been a few long nights out here in Kiev and I do like the odd drink now and again. It's been a wonderful trip and the people have been so friendly and welcoming.

GERMANY

Guten tag, fräulein! This delightful damsel makes us think twice about our irrational dislike of the Germans. We'd gladly sit down for a bratwurst with her any time.

NETHERLANDS

Meet the sumptuous Sylvie van der Vaart, wife of Dutch vice-captain Rafael. No doubt having her to come home to took the sting out of losing to arch-rivals Germany.

GREECE

No line-up of fit fans would be complete without a Greek goddess! Not only is she a looker, with the state her country's finances are in, she would be a cheap date too!

Euro 2012's fittest fans!

Gents, behold! This really is sexy football!

THERE HAVE been some stunning strikes at the Euros - Robin van Persie's against Germany and Jakub Blaszczykowski's beauty for Poland against Russia to name two, but none can beat the sight of some of the ladies in attendance. So we've picked our favourite fans for your viewing pleasure.

SPAIN

The Spaniards make the beautiful game even more alluring, and the same can be said for their fans. This señorita is just like her team - world-class in every department.

IRELAND

This isn't just any fan - it's Mrs Robbie Keane supporting her hubby during the match against Croatia. Unfortunately for Ireland's captain, it didn't do him or the team much good!

PORTUGAL

Their star player may be off form, but at least their fans are making up for it. We wouldn't be surprised if Ronaldo cherry-picked this stunner out of the crowd. The hound!

POLAND

The home nation may not be among the favourites to lift the trophy, but this pretty Pole has got our pulses racing. The fact she's wearing a low-cut top is *nothing* to do with it.

EURO 2012'S FITTEST FAN!

POLAND (AGAIN!)

There are so many perfect Poles that we had to find room for another. Poland are now our second favourite team. We're booked on the first flight to Warsaw tomorrow morning.

"Quote me on that!"

This week's biggest match debaters!

"With Crouchie not being here, I'm definitely the best dancer in the squad"

Joe Hart claims to be handy with his feet

"To be hit in the face again is a dream for me"

There'd be millions of volunteers, Chris Eubank.

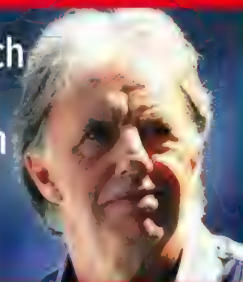

"I believe that even if I wasn't a keeper, I'd still get some female attention"

Wojciech Szczesny fancies himself.

"German coach Joachim Low looks like man at C&A"

Style guru Mark Lawrenson.

Nuts SPORT

"Holland and the Netherlands have got something to prove"

Lee Dixon, they're the same country.

"Scott Parker, you're England's trumpet"

Gabby Logan prepares to blow up his backside.

OO-ER SOUNDS A BIT RUDE CORNER!

"We'll find out how much Balotelli has grown when we see his talent"

Wigan boss Roberto Martinez prepares to watch the big man.

"Sneijder's already done a couple of legovers"

Martin Keown spots the Dutchman getting stuck in.

"Sean St Ledger has come on the back of Corluka"

Roy Keane on a messy encounter.

RING OF TRUTH!

ONLY IN
Nuts!

Football seen through the *Nuts* comedy glasses!

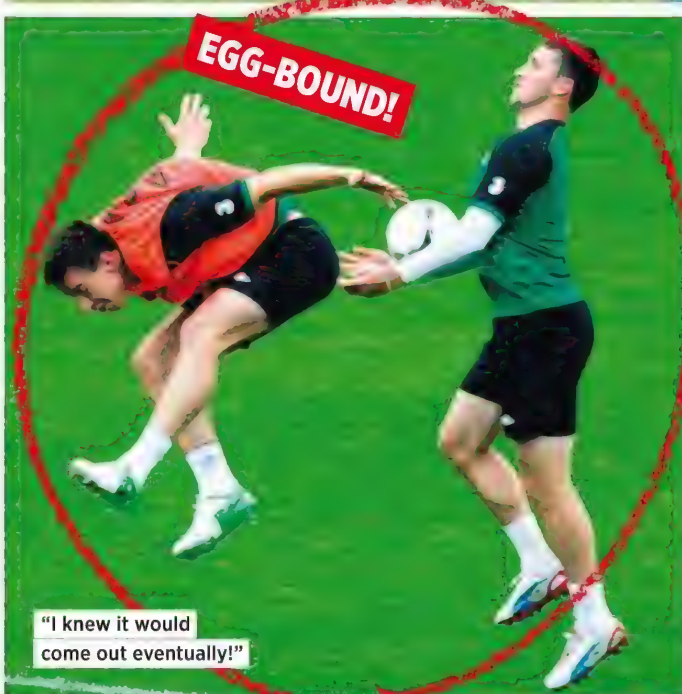

MAN-LOVE CORNER!

"I think it says Adidas!"

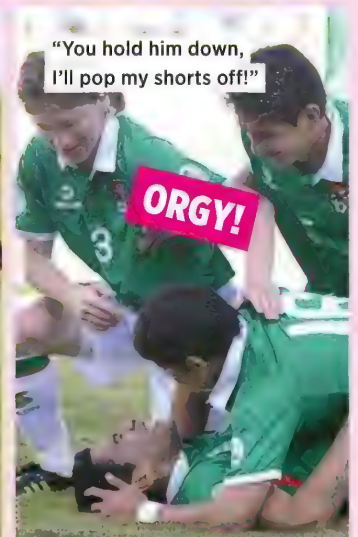

"You know neck kisses get me giddy!"

"I knew it would come out eventually!"

"Surely this is a sending off offence, ref?"

"You hold him down, I'll pop my shorts off!"

ONLY IN Nuts!

Nuts ABOUT SPORT!

Funny goings-on in the wonderful world of sport!

Pit man **BRANDON HARDER** goes for a ride with NASCAR Sprint Cup Series driver Jimmie Johnson at the Coca Cola 600 in North Carolina. Maybe he'll remember to let go next time!

Cycling super fan **DORY HOLTE** shows his support at the Tour of California. We just hope there aren't any forest stages in the race, with those antlers, he could get shot!

We aren't big fans of the javelin here at *Nuts*, but then we saw Paraguayan stunner **LERYN FRANCO** in action. We now have tickets for all of her heats at the Olympics!

Spanish bull-botherer **JULIAN LOPEZ** might be set for a spell on the sidelines after taking a sharp pointy horn to the family jewels! Olé? More like "Oh no!", our paella-munching pal!
